ADOPT-AN-ATLANTIC

Fundraising Program

You can help support the Lake Ontario Atlantic Salmon Restoration Program by adopting one of our Atlantic salmon broodstock, the parent fish of all the fry we are releasing into Lake Ontario's tributaries, as part of this massive effort to restore part of Ontario's lost natural heritage.

For a contribution of \$10.00, you'll get the naming rights to one fish, a certificate recognizing your participation, and you and your fish will be listed on our Adoption Program webpage at www.bringbackthesalmon.ca. The money raised through this program will be used to support research and assessment projects made possible by knowing the identity and genetics of all the parent stock. Please help bring back Lake Ontario's lost treasure!

MAKES A GREAT GIFT!
