

## Habitat Restoration Project 2010

- Duffins Creek: Pickering, Ontario -

---

### Transport Canada Pickering Lands Sideline 34 Old Farm Cedar Planting

Habitat Project Lead: *Ontario Federation of Anglers and Hunters (OFAH)*

Habitat Project Funding Lead: *Ontario Wildlife Foundation*

Date Completed: *April 16, 2010*

On May 10, 2010 a group of 20 grade 2 students from the Ontario Institute for Studies in Education's experimental school, 8 adults and 2 OFAH staff planted 100 eastern white cedar seedlings along 80 m of stream at an old farm off Sideline 34 Road (figure 1 & 2). The planting was part of the classroom hatchery release field trip. The 30 volunteers planted trees for a half hour each contributing to planting a total area of 776 m<sup>2</sup> (figure 3).
