

# Classroom Hatchery Activity

## Week 5: Our Habitat Our Home

**Instructions:** Individually, as a class, or in small groups discuss the questions below.

- List the 4 basic habitat requirements.  
1. \_\_\_\_\_; 2. \_\_\_\_\_; 3. \_\_\_\_\_; 4. \_\_\_\_\_
- During their juvenile life stages Atlantic Salmon live in? (check the correct answer)  
A. A lake    B. A stream/river    C. The Atacama Desert
- Adult Atlantic Salmon spend most of their time in? (check the correct answer)  
A. A river/stream    B. A lake or ocean    C. A rainforest
- All living things including us need to have suitable habitat to survive. In the chart below brainstorm the elements in your home that support your survival; the elements that support Atlantic Salmon in a stream; and the elements that support Atlantic Salmon in Lake Ontario.

**You @ Home**

**Atlantic Salmon in a Stream**

**Atlantic Salmon in a Lake**
